

CERTIFICATE OF REGISTRATION

INFORMATION SECURITY MANAGEMENT SYSTEM – ISO/IEC 27001:2013

Coalfire ISO, Inc. certifies that the following organization operates an Information Security Management System (ISMS) that conforms to the requirements of ISO/IEC 27001:2013 per the scope and boundaries statement detailed below:

Company	Recorded Future, Inc.	Address	363 Highland Avenue Somerville, MA 02144 United States	State	Massachusetts
				Country	United States

SCOPE

The scope of the Integrated Management System (IMS) is focused on the Recorded Future applications and the data they store, transmit and process. This includes the development of application software and technical support of the resources that deliver the applications.

The IMS scope includes:

- the physical security at Somerville HQ and EMEA HQ (Gothenburg, Sweden);
- employees involved in the development, engineering and technical support of the applications;
- all information stored, transmitted and processed by the Company's applications;
- all owned information systems and networks involved in the storage, transmission or processing of information;
- all managed information systems and networks involved in the development or technical support;
- all production applications; and
- all business processes directly related to the development and technical support.

The departments applicable to the scope of the IMS are limited to Intelligence Solutions (including the Office of the CISO/Security, Intelligence Services, and Research and Design) and General and Administration.
